Re: *Kataman Metals, LLC v. Macquarie Futures USA, LLC*
Case No. 1:22-cv-5272-DLC

Dear Judge Cote:

We represent defendant Macquarie Futures USA, LLC (“Macquarie”) and write pursuant to Rule 1.E of the Court’s Individual Practices in Civil Cases to request an adjournment of the Initial Pretrial Conference, currently scheduled for November 10, 2022.

On October 31, 2022, Macquarie will file a renewed motion to dismiss the entirety of the claims set forth in plaintiff Kataman Metals, LLC’s (“Kataman”) Amended Complaint. As ordered by Your Honor on September 30, 2022, briefing of the motion to dismiss will be completed on or before December 21, 2022. An adjournment of the Initial Pretrial Conference and related discovery obligations pending a determination of the motion to dismiss will prevent the potentially unnecessary use of the Court’s resources and those of the parties.

This is Macquarie’s first request for an adjournment of the Initial Pretrial Conference. Kataman does not consent to the adjournment and wishes to go forward with the conference.
